How to use a. met the minimum regulatory requirements of the Statute and then failed to take adequate measures to secure the safety of the patient. These inferences cannot be erased from the record by a de novo review of the agency determination; the fact finder could not disregard them as unreasonable. National Treasury Employees Union, 652 F.2d at 881 (fault will be inferred from conduct that violates statute and regulation). 30 The record leaves substantial doubt as to the motivation of the Tennessee Health Department in failing to require the execution of affidavits by nursing homes, and we cannot say that its position was not substantially justified. The focus of the district court's opinion was exclusively on the question whether the affidavits were required and the
